

LIL LUIGI

From backyards to picnic tables to tailgate parties, the Lil Luigi goes wherever you want to enjoy wood-fired flavor. Made with premium 304 stainless steel and featuring an easy load fire box, this portable oven is big on quality, convenience, durability and heat retention. The downdraft system allows for easy lighting. The chimney is removable for easy storage. Special enhancements, like the hinged door, peephole and superior insulation help retain heat. Comes with everything you need to start cooking: a convertible oven cover/carrying bag, a basic pizza peel, wheel cutter and a coal poker.
